Coarse Fish Price List - 2017

Common & Mirror Carp

We supply carp up to 3 years old which are ideal for match and day ticket waters.

The angling response you get from these farmed carp is always much greater than by stocking with other species or wild caught fish.

These fish will give you the biggest 'Bang for your Buck!'

F1 Hybrids

These fish look like common carp but are actually a hybrid between a carp and a crucian. Tough as old boots, they only grow to 2-4 pounds and feed well in the winter.

Easy to catch and perfect for intensive match fisheries. Very popular with match fisheries and appear to be immune to KHV.

Size/Quantity	100-1000	1000+

10 inches +	£5.95/lb	

Crucian Carp

What fisherman hasn't had his day brightened up by one of these Golden Beauties? These Crucian carp are produced from our own genetically pure brood stock.

Perfect fish for non-intensive fisheries. They love weedy waters.
